

SIMPLEX CHEMOPACK PVT. LTD.

ISO 9001 : 2015 certified manufacturing and export oriented company for FIBC, Technical Fabric, PP Bags.

Overview

Simplex is the most trusted and reliable partner of its Global Customer over the years. Our philosophy is to build long term-partnership to understand each other needs which will enable both organizations to grow together. We believe what ever we are today in such a short span is because of our customers. A youthful company that provides packaging solutions through creative innovations, process effectiveness, customer support and prompt deliveries.

The company is recognized as market leader and a preferred partner by all major & global Customers. This is reflected in the fact that more than 90% of FIBC our production is exported to USA, Europe, Latin America & Africa.
