# ABOUT COMPANY

• **Simplex Chemopack** is one of the **most trusted and reliable exporters of FIBCs globally** with **FIBC manufacturing capacity of 1500 MT monthly**, along with a strong presence in the **Indian market**.

• The company has developed a **diverse and well-established customer base across multiple continents**, building long-term relationships based on **quality, reliability, and consistent performance**.

• Simplex Chemopack currently supplies to **50 plus countries** customers across **6 continents** : **Asia, Europe, Africa, Australasia, North America, and South America**.

• **Export market distribution:**  
**60%** of exports to **Europe**  
**30%** of exports to the **United States**  
**10%** to other **international markets**

• **Export turnover exceeds USD 40 million annually**, reflecting the company's strong global demand.

• **7,20,000 square feet** of constructed area.

• Total capacity in tones : **installed is approximately around 3000 MT per month and 36000 MT per year**

- **FIBC : 1500 MT**
- **Fabrics- 600 MT**
- Small bags : 300 MT
- Liner :180 MT
- Yarn :140 MT
- Others - 280 MT

• More than **50 types** of FIBC , Fabrics and Small Bags are manufactured.

• With a strong international footprint, the company continues to strengthen its position as a **global packaging solutions provider in the FIBC industry**.

• **AI powered metric system** with AI based strategy deployed department wise across the organisation

• **End-to-End Batch Traceability:** Every FIBC bag is assigned a **unique identification code**, allowing complete traceability from **raw material sourcing and production batch to final dispatch and delivery**.

**SIMPLEX  
CHEMOPACK**

To serve the **Turkish FIBC market efficiently**, we supply through our **Middle East based manufacturing facility in Abu Dhabi**, ensuring **faster logistics, competitive pricing and reliable supply**.

## Flexible Delivery Options

 DDU Delivery – Direct to Your Warehouse in Turkey

 Container shipments to major Turkish ports

## Turkish Ports We Serve

DDU Delivery – Direct to Your Warehouse in Turkey

## Fast & Transparent Pricing

Due to volatility in **raw material and freight markets**, Simplex provides:

- ⚡ Immediate quotations based on current raw material prices
- ⚡ Updated freight rates for accurate landed costing
- ⚡ Reliable price transparency for bulk orders

This allows our partners to **quote their customers with confidence and secure orders quickly**.

## Why Turkish Buyers Work With Simplex

- ✓ Competitive pricing via Middle East production
- ✓ Faster shipping compared to Asian supply routes
- ✓ Consistent export quality standards
- ✓ Flexible delivery – Port delivery or DDU door delivery
- ✓ Reliable bulk supply for FIBC and woven packaging

## Let's Work Together

If you are a **FIBC manufacturer, distributor or packaging company in Turkey**, we would be pleased to support your requirements.
